Maintenance Dredging Works at Drogheda Port

**To all Ships Masters, Pilots, Fishermen, Yachtsmen, Ships Agents and water users
on the river Boyne estuary.**

Drogheda Port hereby gives notice that maintenance dredging works are scheduled to resume on or about 5th January 2026.

Dredging operations will be concentrated at the seaward approaches and river entrance (ref: British Admiralty Chart 1431).

Dredging operations will be carried out Monday – Sunday, weather permitting, primarily in daylight hours and will continue until the 31st of December 2026.

The dredging vessel TSD Argus will be maintaining a listening watch on VHF channels 11 & 16. The vessel will exhibit the appropriate lights and shapes as prescribed in the International Collision Regulations.

Vessels entering and leaving Drogheda Port during the period of the works should exercise extreme caution when passing the dredger and should reduce their speed to a safe minimum manoeuvring speed.
