Amended 12.02.2026

Maintenance Dredging Works at Drogheda Port

To all Ships Masters, Pilots, Fishermen, Yachtsmen, Ships Agents and water users on the river Boyne estuary.

Drogheda Port hereby gives notice that maintenance dredging works are suspended due to dredger breakdown. Dredging plant is currently being sourced and is expected to arrive wk 8/2026.

Dredging operations will be concentrated at the river entrance, estuarial channel and berths (ref: British Admiralty Chart 1431).

Dredging operations will occur on each tide, with an anticipated duration of 5 to 7 days from commencement.

The dredging vessel will be maintaining a listening watch on VHF channels 11 & 16. The vessel will exhibit the appropriate lights and shapes as prescribed in the International Collision Regulations.

Vessels entering and leaving Drogheda Port during the period of the works should exercise extreme caution when passing the dredger and should reduce to a safe minimum manoeuvring speed.

Capt. Laurence Kirwan
Harbourmaster & Pilotage Superintendent
